

## OfficeMax Sessions

Representatives from OfficeMax will be on campus to respond to the variety of issues that have been raised recently.

Two sessions will be held in the McCook Room at the Burge Union on Thursday November 5, 2009. The first session will run from 9 to 11 AM and the second from 2 - 4 PM.

OfficeMax wants to work to get all of the issues resolved so please come and describe your problems and work on solutions. Representatives from the KU Purchasing Office will also be on hand for assistance.

Thank you.
